BUILD UPON THE ROCK

" ' What system of shorthand shall I study ? '

" That is the pressing question of every ambitious young man or woman, with sense enough to realize that the person who takes dictation, if he has the right stuff in his makeup, soon gives it.

" And after all, there is but one answer. ' The best is none too good ' applies particularly to shorthand, for a poor shorthand system will easily break a man, while a good system frequently makes one.

" Be with the winners ! Don't take a losing chance with an inferior shorthand system when a superior one is at hand. Get into the same boat with President Wilson; Senator Chandler; Whitelaw Reid, Proprietor of the *New York Tribune;* Edward W. Bok, Editor of the *Ladies' Home Journal;* Edward Hyde, President of the Equitable Life Insurance Company; and Judges Pryor and Goff of the Supreme Court.

" Give yourself the same opportunities that George Cortelyou took. ' I owe all I am to shorthand,' says Mr. Cortelyou.

" And what systems of shorthand have these men written ? If you will take the trouble to find out, you will discover that they all learned Isaac Pitman Shorthand or a minor modification.

" Whether, like these, you intend to use shorthand as a stepping-stone, or whether your ambitions lie in professional shorthand writing—Court Reporting—choose the best. Build upon the rock. Don't build upon a marsh.

" Shorthand systems come and shorthand systems go. But Isaac Pitman Shorthand, through its inherent strength, through its superior legibility and natural sturdiness and flexibility, has gathered momentum as the years have passed, and as in the past, so to-day, it continues to be the choice of the men and women who are making this country —and incidentally making themselves. For they have built upon the rock."—*Herman J. Stich, Official Court Stenographer, Champion Shorthand Writer of the World. Record,* 300 *words a minute with* 99·9 *per cent. of accuracy.*

SYNOPSIS

Paul Anderson, a young American, with an inclination towards travel on the sea meets a most remarkable adventure. He falls in with a wonderful little character, by name Imagination, who, on account of Paul's many good traits rewards him by a trip to the extraordinary land of Lilliputania. Some idea of the exciting adventures Paul had in Lilliputania can be formed when we tell you that a full grown Lilliputanian measured but three American inches in height, and everything in the entire country was just as small in proportion.

Not only the younger children, but the older girls and boys as well, will delight in this story. It is by no means a fairy tale, as providing it were possible for such a land to exist, everything that happens in the action of the story is quite possible. The amusing and exciting situations arising from the vast difference between the size of Paul and the residents of Lilliputania are interesting to a degree. Never since the famous "Gulliver's Travels" has such a book been written.

The illustrations cleverly portray the chief incidents of the story, and when one has finished this remarkable book, one sighs with disappointment at its termination, and looks forward with pleasant expectations to the promised sequel

14 I behaved myself as though *he had been* my friend *or* brother: I bowed down heavily, as one that mourneth *for his* mother.
15 But in mine adversity they rejoiced, and gathered themselves together: *yea,* the abjects gathered themselves together against me, and I knew *it* not; they did tear *me,* and ceased not:

CAMBRIDGE BIBLICAL ENCYCLOPEDIA

These Bibles contain the Biblical Encyclopedia, based on the Cambridge Companion to the Bible, the work of the most eminent scholars at the Cambridge University, the object of which is to provide Sunday-school teachers and other students with a concise book of reference to the Bible.

In the Encyclopedia much useful matter has been compressed into a small space and the *arrangement of helps in alphabetical form* will be found most convenient for the purpose of ready reference.

CAMBRIDGE CONCORDANCE

included in all Cambridge Teachers' Bibles, is most practicable and contains all important references.

CAMBRIDGE CENTRE-COLUMN REFERENCES

Have been *re-edited and revised throughout* and in this edition full use has been made of the late Prebendary Scrivener's invaluable work on the References which was first published in the Cambridge Paragraph Bible.

CAMBRIDGE INDIA PAPER

For whiteness, opaqueness, thinness and toughness, the new Cambridge India Paper is generally declared by experts to be the equal of, if not superior to, any thin paper now used in Bibles.

This "nature worship" became associated with gross immorality, and so the practice of setting up asheroth was forbidden by Hebrew prophets, Dt. 16. 21; cf. ASSYRIA and **BABYLONIA** were the two great Eastern empires before which all the old states of Syria and Palestine fell. We learn their history partly from the Bible narrative and also from contemporary monuments written in cuneiform characters and recently deciphered.

Babylonia or Shinar (Gen. 10. 10) is the alluvial country on the lower course of the Euphrates and Tigris, of which Babel or Babylon was the chief city. Assyria, or Ashur, occupied the Tigris valley to the north of Babylonia. Its centre lay on the left bank of the Tigris, where the great city of Nineveh stood, opposite Mosul. Babylon and Nineveh were long rivals, but they had a common civilisation, of which the southern alluvium was the original home. ACTS 18

9 Then spake the Lord to Paul in the night by a vision, Be not afraid, but speak, and hold not thy peace:
10 For I am with thee, and no man shall set on thee to hurt thee: for I have much people in this city.
11 And he continued *there* a year and six months, teaching the word of God among them.
12 ¶ And when Găl'lī-ō was the deputy of A-chā'-ĭa, the Jews made insurrection with one accord against Paul, and brought him to the judgment seat,
13 Saying, This *fellow* persuadeth men to worship God contrary to the law.
14 And when Paul was now about to open *his* mouth, Găl'lī-o said unto the Jews, If it were a matter of wrong or wicked lewdness, O *ye* Jews, reason would that I should bear with you
15 But if it be a question of words and names, and of your law, look ye *to it*; for I will be no judge of such *matters*.
16 And he drave them from the judgment seat.
but he himself entered into the synagogue, and reasoned with the Jews.
20 When they desired *him* to tarry longer time with them, he consented not;
21 But bade them farewell, saying, I must by all means keep this feast that cometh in Je-ru'sā-lĕm: but I will return again unto you, if God will. And he sailed from Eph'ĕ-sŭs.
22 And when he had landed at Cæsa-rē'a, and gone up, and saluted the church, he went down to An'tĭ-ŏch.
23 And after he had spent some time *there*, he departed, and went over *all* the country of Gă-lā'tĭa and Phrȳg'ĭ-a in order, strengthening all the disciples.
24 ¶ And a certain Jew named A-pŏl'los, born at Al-ĕx-ăn'drĭ-a, an eloquent man, *and* mighty in the scriptures, came to Eph'ĕ-sŭs.
25 This man was instructed in the way of the Lord; and being fervent in the spirit, he spake and taught diligently the things of the Lord, knowing only the baptism of John.
26 And he began to speak

For rest the night:
May Thine angel-guards defend us,
Slumber sweet Thy mercy send us,
Holy dreams and hopes attend us,
This livelong night.

2 Guard us waking, guard us sleeping,
And, when we die,
May we in Thy mighty keeping,
All peaceful lie:
When the last dread call shall wake us,
Do not Thou, our God, forsake us,
But to reign in glory take us

Cloth. 488 pages. $1.25 net, postpaid

"This book is not simply the very best summary of the laws, rules, customs, precedents, usages and principles of Presbyterianism, but it is difficult to see how, in the compass given, a better book could possibly be written. It is at once a Summary of the Standards, a Digest, and a Condensation of Laws and Precedents. No minister or church officer is properly equipped for work without this book. It is simply invaluable. The index is complete, making it possible to turn to any point in a moment. Matters not usually mentioned in such a book, but necessary to be clearly understood, are here explained. The forms at the end of the book are valuable, and will make the work of a clerk of sessions as easy again if followed."—*The Michigan Presbyterian.*

Hymnody

***The Hymnal (Revision of 1911)**

Prepared by the same committee that compiled THE HYMNAL, and, like that, edited by Louis F. Benson, D.D. The rapid changes of our time and the varying emphasis on one or another line of religious work prompted a revision of THE HYMNAL of 1895, and the Board was fortunate in being able to secure the services of those who made the former book. This marks, we think, the highest point of merit reached by any hymn book up to this time, and is now the standard church book of praise of our denomination, authorized by the General Assembly.

The English Hymn

Its development and use in worship.

LOUIS F. BENSON, D.D.
624 pages. $3.50 net

"This book is a credit to American learning, and Dr. Benson is to be congratulated on the value of his work. The hymn occupies to-day an important place in the public worship of the Church. Dr. Benson traces its beginning and tells of the services of the hymn in connection with the evangelical revival and other movements that have affected the English-speaking world. The concluding chapter on 'Twentieth Century Hymnody' deals with the new needs which are now being realized for a type of hymn which will at once express the spiritual and social aspirations

and activities of the Church. It is interesting to see how the hymn grew, and it is instructive to notice the serious opposition which congregational singing encountered through the history of the Church. The author is an authority on the subject and so thoroughly has the work been done that no aspect of the subject has been overlooked."—*Herald and Presbyter.*

ISHAM, NORMAN M. and BROWN, ALBERT F.

Early Connecticut Houses. A historical and architectural study. Cloth, square octavo, with map, 7 plates and 115 illustrations. $10.00 net.

"There is a completeness of record, a successful attempt to tell the whole story as far as it is important it should be told, upon which it is hard to comment in terms too favorable. Each house is presented in a small carefully made drawing, mainly in outline, without the slightest attempt at artistic effect; and the more artistic on that account, as revealing the work of architectural art without the interference of the draftsman's fancies. It is clear that these little drawings (stated to have been made with the aid of photographs) and the plans and explanatory sections are as trustworthy as it is possible to make drawings of the kind."—*The Nation.*

A sparkling Western out-o'-doors romance

Penny of Top Hill Trail

By Belle K. Maniates
Author of "Amarilly of Clothes-Line Alley"

IN "Penny" Miss Maniates has portrayed a new heroine who is worthy of a place beside the most delightful feminine characters in present-day fiction. Adventurous, roguish, gifted with a sense of humor and a spirit of mischief, "Penny" is indeed a beguiling creation. Around her Miss Maniates has woven an intriguing mystery which is not revealed until the very last pages of the story are reached.

"Better than 'Amarilly,'" say many of those who have read "Penny." The story races along without a "let up" in interest. Everybody will enjoy "Penny" who likes a quick-moving, dashing romance of mystery and adventure, with an out-o'-door setting and a "cast" of truly delightful characters.

What critics all over the country are saying about "Penny."

"This story by the author of Amarilly of Clothes-Line Alley will keep the reader guessing. ... Entwined with the mystery is a rollicking tale of love and adventure.' —New York Post.

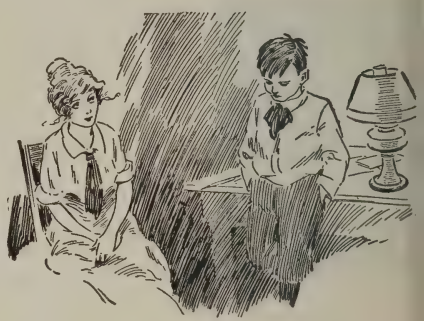
A delightful story of the heart and home

Huldy's Whistle

By Anne Archbold Miller

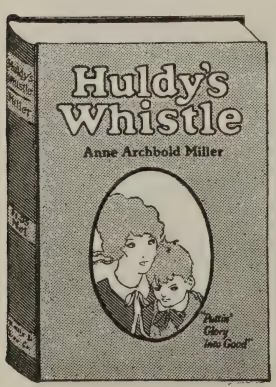
THIS is the glad story of "Whistle" — a red-blooded, two-fisted little boy who was a trial to his folks but who was "made over" by Huldy's joyous philosophy of living—**puttin' glory into good.**

"Huldy's Whistle" is a quaint, tender, appealing story—an idyll of the home steeped in the romance of everyday life and instinct with that "culture of the heart" which is the very foundation of human happiness.



"Love," says Huldy, "ain't the kind of thing that jest works for him that sets it a-goin'. It's like sunshine—it makes everything grow that it falls on. It never spots no one person and helps him out and forgets the rest—it helps everyone that it lights on."

A Story for the Mothers and Fathers of Little Boys—and their Sisters and their Cousins and their Aunts



We predict a record sale for this delightful story. It is certain to be one of the favorite novels of the year. An intensely human story, brimful of tender sentiment, it makes an irresistible appeal to the heart of the reader. It is a story which sets forth in delightful fashion the ultimate lesson that life has to offer—the lesson of love and kindness and sympathy and charity.

To the Bookseller

¶"HULDY'S WHISTLE" is a story that has all the earmarks of a great popular success.

¶It should have as large a sale as "Miss Minerva and William Green Hill."

¶We urge you to read the book—then to give it prominent display on your counters. One copy is sure to sell another.

These Are the Folks in "Huldy's Whistle"

WHISTLE, boy—whose real name is Ethelbert Romley Foster, after his grandfather. A red-headed, red-blooded youngster, who has more than the usual small boy's troubles, but who wins happiness for himself by helping make other people happy.

HULDY, the Willises' hired girl, who knows and loves small boys and who has "a culture of the heart which brings more real comfort to humanity than mere head culture." Whistle says Huldy is "wonderful."

GREAT AUNT ELOISE, who seems very formal and precise at first and calls Whistle "a wicked child," but whose lonely old heart opens to Huldy's gentle, lovely scheme of life and who becomes one of Whistle's greatest admirers.

GREAT UNCLE GEORGE, who ran away from home because "the Lord made a mistake when he made him a Foster," but who came back a fine man, full of tales of far-away lands, and marvelous peoples and adventures.

FATHER, who sometimes failed to understand how a freckled little son feels, but who came to be proud and happy that he was Whistle's daddy.

MOTHER, who wanted her little son to be just right but who didn't always know how to help him until Huldy showed her.

LEM BILLINGS, who was a very likable person indeed and a hero to Whistle. Lem came to be more than a hero to Huldy.

Miss Minerva and William Green Hill

"A DARLING little fellow, with the glory of heaven entangled in a plantation dialect,"—in this fashion one reviewer characterizes Billy, the dear, bad (but altogether lovable) little boy who is the hero of **Miss Minerva and William Green Hill.**

This charming story has become an American classic. Its delightful humor is as fresh and joyous as when the story was first published.

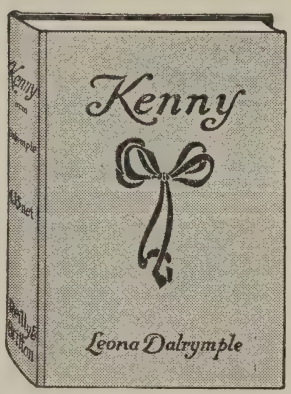
Brilliant Promise and Fulfillment

Kenny

A novel of distinctive power and certain touch — Kenny assures the author a high place in American letters.



Kenny

By

LEONA DALRYMPLE

Author of

"Diane of the Green Van," "The Heart of the Christmas Pines," "Uncle Noah's Christmas Inspiration," etc.

THE talented author of "Diane of the Green Van," the "Ten Thousand Dollar Prize Novel," has in **Kenny** a story of unusual color and life. Its people are as knowable as next-door neighbors, yet as fascinating as fancy folk. Volatile, lovable Kenny himself, headstrong, changeable, vivacious, a living contradiction and enigma; Brian, sensible, dependable, wholly likable; Joan, of the gold brocade gown, as winsome a maid as ever stepped out of a daydream. A trio of breathing beings in a story of quaint charm and sentiment. A background of the Bohemia of studio life in New York on the one hand, of the woods and hills and winding streams of Craig farm on the other.

A story of a big love. A drama of self that was lost in sacrifice.

Written with all Miss Dalrymple's originality and individual style. A wealth of imagery and descriptive charm. Clever in dialog and keen analysis. Best of all, a story of human sympathies and significance that will hold unflagging interest through all its big moments.

A story you will feel a positive affection for. Kenny — the man and the book — will live with you.

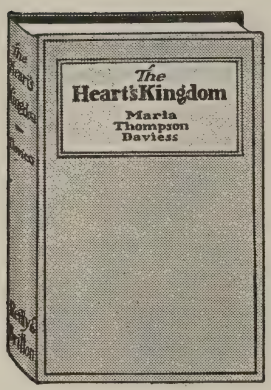
Showing New Power and Insight



The Heart's Kingdom

By Maria Thompson Daviess
Author of
"The Daredevil"
"The Melting of Molly"

THE elements of humor and of plot interest have always distinguished the work of the author of "The Melting of Molly," but to that she has added a new insight into human nature that makes **The Heart's Kingdom** a distinctly worth-while book. It goes down deep into the hearts of men—and women particularly—and shows Miss Daviess as a student of life.

A Story of People as They Are

It is not a problem story, but the issues involved are true and abiding and surely vital. It is as romantic as "Molly." It is as clean-cut in its analysis of life as the "still, small voice."

Miss Daviess has made her audience laugh. She will do it again in **The Heart's Kingdom.** The story will do more: it will make readers think—and thrill.

A Book For a Big Audience

We are sure of the appeal of **The Heart's Kingdom.** It is a message and an interpretation, and it is a charming love story of the type no other author can tell so well. Its people are genuine. It is a story readers will talk over with appreciative discussion.

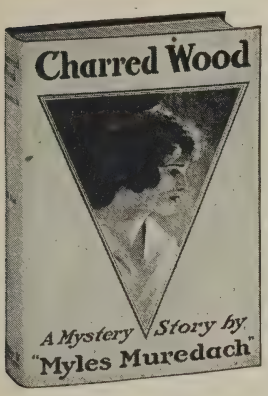
Adventure—Mystery—and a jolly good yarn



Charred Wood

By Myles Muredach

Authorship now revealed as that of the Rt. Rev. Francis C. Kelley, D.D.

WITH this popular story, a distinguished author-prelate made his appearance in the ranks of American novelists. Charred Wood is Monsignor Kelley's first novel, but it is one which the most literal-minded reader of romances will thoroughly enjoy. It is a love story of singular beauty and charm which lifts one from the life of an American town into the network of international intrigue. From chapter to chapter the mystery deepens, the suspense accumulates, until the surprising denouement. In an intimate but unobtrusive way, the author gives an interesting picture of a side of the Church seldom revealed.

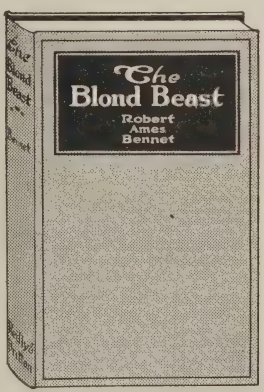
A thrilling romance of Love and War

The Blond Beast



By Robert Ames Bennet
Author of "For the White Christ,"
"Into the Primitive," etc.

A ROMANCE of Love and War, and a thrilling story of embattled American youth. Mr. Bennet's latest novel tells a stirring story abounding in dramatic situations. From out of the placid German life of ante-bellum days, Allan Thorpe, a young American student residing in Berlin, and his countrywoman, Lucy Carew, an American heiress "doing" Europe, are suddenly brought face to face with the flaming realities of war.

Then come grim pictures of death and strife, but lightened with the glory of sacrifice and heroism. In kaleidoscopic fashion Mr. Bennet sketches the invasion battles of the first Marne campaign. But when the novel ends, it is the story's heroine who stands out in one's memory—Lucy with her bewitching loveliness, her perilous Yankee impudence, her rash courage and her exquisite loyalty to love and land.

A Half Century of America's National Game

"Commy"

The Life Story of the Grand Old Roman of Baseball

CHARLES A. COMISKEY
President and Owner
Chicago American League Baseball Club
(White Sox)

Reported by G. W. AXELSON
Veteran Sporting Writer

"THE OLD ROMAN," as he has been affectionately called for a score of years by his myriad friends and admirers, is admittedly the best-known and best-loved figure in baseball. His friends are legion, and they are to be found in every city and hamlet in the country. His life has spanned the development of the national game to its present proud position. No name shines with a greater luster than "Commy's" in the annals of baseball's past. He has developed stars of the game without number, and has won more world's championships than any man who has ever been connected with baseball.

The Greatest Baseball Book Ever Written

"Commy" is Mr. Comiskey's own story—told in free and easy fashion by the big, jovial, confident owner of the White Sox, and reported by Mr. G. W. Axelson. It is the life story of a man who is idolized by tens of thousands—a real man's man who has lived baseball for half a century, who has stood consistently for the highest type of sportsmanship, and who knows all the ins and outs of the game. "Commy" is an intensely interesting book, full of reminiscence and personal anecdote connected with past and present celebrities of the game. Many quaint stories of the diamond now reach the wider baseball public for the first time. Scores of well-known names appear on its pages—A. G. Spalding, John McGraw, "Cap" Anson, Ban Johnson, "Connie" Mack—to name only a few of them.

An unusually interesting chapter tells the story of the historic trip around the world, undertaken jointly by the Chicago White Sox and the New York Giants in the fall of 1913, when the teams played in Japan, China, the Philippines, Australia, Egypt, Rome, Paris, winding up their trip with a baseball game in London, played before King George in February, 1914, a few months before the outbreak of the Great War.

A wealth of baseball pictures, ancient and modern, adds to the attractiveness of the volume.

Ready about September 20. Cloth. 12mo. $1.50 net.

"Commy" will have a nation-wide sale. Every baseball "fan" will want the book. No one can be "baseball-wise" without it.

An Unusual Book: For Salesmen, Advertising Men and Live-Wire Business Men

Go!

By George Harrison Phelps

Successful Advertising Manager of a Famous Motor Company

"Put me among successful men and I will be successful. Surround me with failures and I am very apt to be a failure, too."

MEN draw inspiration from their environment. Pictures of Roosevelt, of Lloyd George, of Pershing and Schwab on our walls inspire us because these men have done things. Their faces radiate vitality. They tell that we can if we will.

So it is with these vibrant stories of success by George Harrison Phelps. They are fresh and real. They don't cry, "Be strong" and leave it to the reader to guess how. Phelps takes one among big, successful men and tells of intimate, meaningful incidents in their lives. He gives flashlights of high moments in terse and vivid style.

These are not fanciful tales of a literary dreamer. Phelps himself is a business man, and he knows that these business stories are worth telling because they have helped him. And Phelps is no mean story-teller. "GO" will be liked. It grips one and gets one going—going straight.

An unusual book, attractively made and uniquely illustrated.

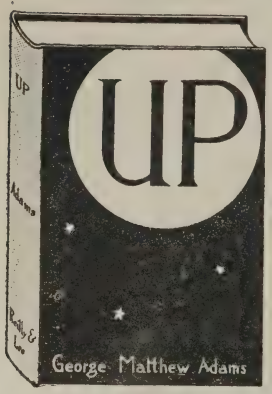
A cheer-o volume of grit and inspiration



The title is UP

By George Matthew Adams

Author of "You Can," "Take It," "Pepper Talks"

THE author of this volume is the head of one of the largest newspaper-feature syndicates in America. Thousands have read his inspiring "Pepper Talks" in the metropolitan dailies. And in so doing, these thousands have felt the electric thrill of the author's dynamic personality and have been inspired to "look up"—to renew their grip on life and hope—and on themselves.

In the pithy, pungent articles which constitute this volume, George Matthew Adams gets down to life's bed-rock. He tells you how to live life freely, fully, courageously, confidently, successfully—how to take life with a square jaw and a stout heart—how to attain the goals that bring out all that is best and worthiest in our natures.

"If you will but engrave upon the tablet of your heart this little word UP—and have it lead you—you will never know how to fail," says Mr. Adams. These are wise words. Up is a clarion call to action. The book will be read by thousands who have relaxed their hold on the vision and faith that conquers.

Edgar A. Guest

EDGAR A. GUEST achieved national recognition with the publication of **A Heap o' Livin'** in 1916.

The American public was quick to recognize the advent of a new poet—a poet distinctively American—a poet who wrote songs of home, of children, of the everyday joys and sorrows, and of the numberless things about which the affection and sentiment of life cling.

A worthy successor to Riley and Field

There is nothing artificial about Edgar A. Guest's verse. There is no striving after the bizarre, the fantastic or the unreal. His poetry has the ring of genuineness, for it is based on a deep, abiding faith in human nature—in its essential goodness and lovableness.

Edgar A. Guest's poems are syndicated in over 60 of the great American dailies stretching from coast to coast. No other American poet is read so widely. Many thousands of readers look for Mr. Guest's poems in their favorite newspapers daily, and his name has become a household word in their homes.

The simple, homely joys of everyday life are mirrored forth in its smiling pages.

The Path to Home will capture all hearts. It is the human note in Mr. Guest's verse which endears it to readers everywhere. In his latest book are gathered together over a hundred poems that speak the language the heart understands.

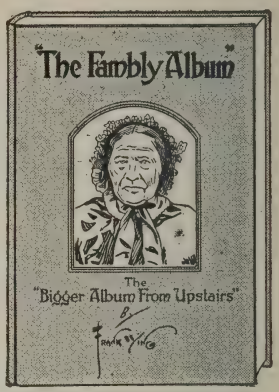
American Humor at its Best

"The Fambly Album"



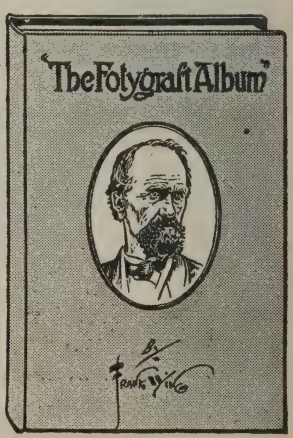
By FRANK WING

NO matter where you live you'll find you know the people in **"The Fambly Album."** It's a kind of "Spoon River Anthology" in prose and picture. The phenomenal success of **"The Fotygraft Album"** paved the way for a first edition of 20,000 of the new book. It ought to be a ten-strike, for it is absolutely the funniest creation ever put in book covers.

It needs no salesman. People pick it up in idle curiosity—it's like the Ancient Mariner and the belated wedding guest: the humor reaches out and catches the reader by the coat lapel as he tries to edge away—and he stays, to chuckle and to buy. He's getting off easy if he stops at one copy. No one is ever satisfied till he tries it on his friends. Sixteen laughs bigger than **"The Fotygraft Album."**

Fourth Year—Sales Continue High

"The Fotygraft Album"



EVERY passing day proves that this book is the laugh hit of the generation. The second season sale went forty per cent above that of the first year. The present year shows still heavier orders.

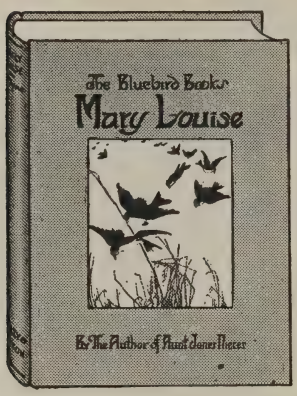
A Charming Heroine



The Mary Louise Series

By Edith Van Dyne

The "Mary Louise Series" becomes more and more popular with every added volume. The author of "Aunt Jane's Nieces" has repeated the success of that universal favorite.

Girls' Books of Wide Appeal

MRS. VAN DYNE'S stories for girls have always had an appeal to older readers. Without being beyond the understanding of the girl of thirteen, they have nevertheless been as carefully planned and written as any novel. And the stories have not been too trivial for the girl of eighteen. Naturalness and humor and a genuine knowledge of girlhood is the secret of Mrs. Van Dyne's charm.

The new series bids fair to equal the success of the "Aunt Jane" stories. In the first volume Mary Louise is still a young girl, but the incidents which center about her will hold the interest of any reader. There is mystery and suspense and no little thrill. Mary Louise is a sympathetic character; girls of her own age will fall in love with her. There is no doubt that they will want to follow her through a good many volumes of stories as appealing as the initial title.

FIVE TITLES

1. Mary Louise.
2. Mary Louise in the Country.
3. Mary Louise Solves a Mystery.
4. Mary Louise and the Liberty Girls.
5. Mary Louise Adopts a Soldier.

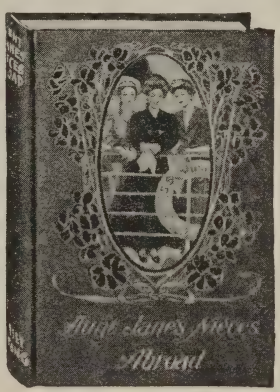
Illustrated 12mo. Jacket in color. Per volume 75c net.

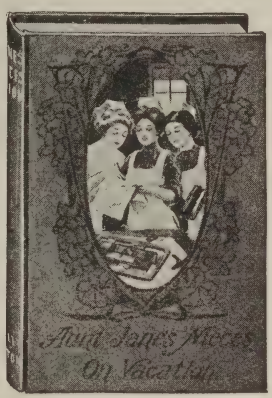
"These girls of story-book fame have won their way into the hearts of thousands of young readers."

The Aunt Jane's Nieces Series

By Edith Van Dyne

The Aunt Jane's Nieces Series is one of the three best-selling girls' series in the world.





TEN TITLES

1. **Aunt Jane's Nieces**
2. **Aunt Jane's Nieces Abroad**
3. **Aunt Jane's Nieces at Millville**
4. **Aunt Jane's Nieces at Work**
5. **Aunt Jane's Nieces in Society**
6. **Aunt Jane's Nieces and Uncle John**
7. **Aunt Jane's Nieces on Vacation**
8. **Aunt Jane's Nieces on the Ranch**
9. **Aunt Jane's Nieces Out West**
10. **Aunt Jane's Nieces in the Red Cross**

WITHOUT being sensational, Mrs. Van Dyne has succeeded in writing stories with the stir and tug of young blood in them. The Aunt Jane series appeals to young readers because the author neither tries to preach nor to "write down" to their youthful minds, but is satisfied to be natural and entertaining. The stories have a wealth of plot and action and the style is lightened with no little humor. Patsy and Beth and Louise are three girls of individuality and resourcefulness and they manage to get themselves involved in a good many exciting situations. They are just as resourceful in getting out of their various ambitious undertakings, but the doing is always attended with plenty of suspense and excitement.

Books of Common-Sense and Optimism

"Think" (published in 1918) is already in its third big edition. The reason for the long-continued popularity of these books is to be found in their abounding sanity and their militant optimism. Col. Think

A Message of Smiles, Good Cheer, Health, Happiness, Courage, Confidence and Good Luck

It teaches a man the value of getting out of harness for a few minutes each day, sitting down quietly by himself, and making an inventory of his work and his worth. It shows him how to become master of his fate by becoming his own master first of all. It is a book that makes for contentment.

The Path to Home

There's the mother at the doorway, and the children at the gate,
And the little parlor windows with the curtains white and straight.
There are shaggy asters blooming in the bed that lines the fence,
And the simplest of the blossoms seems of mighty consequence.
Oh, there isn't any mansion underneath God's starry dome
That can rest a weary pilgrim like the little place called home.

Men have sought for gold and silver; men have dreamed at night of fame;
In the heat of youth they've struggled for achievement's honored name;
But the selfish crowns are tinsel, and their shining jewels paste,
And the wine of pomp and glory soon grows bitter to the taste.
For there's never any laughter, howsoever far you roam,
Like the laughter of the loved ones in the happiness of home.

There is nothing so important as the mother's lullabies,
Filled with peace and sweet contentment, when the moon begins to rise—
Nothing real except the beauty and the calm upon her face
And the shouting of the children as they scamper round the place.
For the greatest of man's duties is to keep his loved ones glad
And to have his children glory in the father they have had.

So where'er a man may wander, and whatever be his care,
You'll find his soul still stretching to the home he left somewhere.
You'll find his dreams all tangled up with hollyhocks in bloom,
And the feet of little children that go racing through a room,
With the happy mother smiling as she watches them at play—
These are all in life that matter, when you've stripped the sham away.

Accounting

The Accountancy of Investment

By the late Charles E. Sprague, C.P.A., President, Union Dime Savings Bank, New York. Revised by Leroy L. Perrine, C.P.A. Third edition, 1914. 371 *pages.* 6 *x* 8¾. *Half leather binding only.* $5.00.

Thoroughly covers the calculations required in arriving at the returns on investments, and the recording of the financial amounts involved. In four parts: (1) The mathematics of investment, including all the calculations in connection with annuities, sinking funds, simple and compound interest, bond valuations, amortization schedules, loans, mortgages, etc.; (2) Problems illustrating such calculations in detail; (3) The use of ordinary and 12-place logarithms in investment calculations, with tables; and (4) 8-place tables of (a) Compound Interest, (b) Present Worth, (c) Amount of Annuity, (d) Present Worth of Annuity, (e) Sinking Funds. Arithmetical methods are followed throughout, making an extensive knowledge of higher mathematics unnecessary to understand the work.

Accounting Practice and Procedure

By A. Lowes Dickinson, C.P.A., member of the firm of Price, Waterhouse & Company. 4th printing, 1918. 309 *pages.* 6 *x* 8¾. *Cloth binding,* $3.50. *Half leather,* $4.00.

A guide to the best practice in handling some of the more important questions arising in advanced accounting, such as the application of correct principles in the preparation of the profit and loss account and the balance sheet, and the best accounting treatment of fixed property, investments, reserves, inventories, capital stock, bonded debt, contingent liabilities, repairs, renewals, depreciation, new construction, etc. The author discusses each question thoroughly, gives the different procedures advocated, comments on each, and states his opinions and conclusions. He also discusses some special points in connection with corporation accounting and finance, cost accounting and the duties and responsibilities of the public accountant. Mr. Dickinson is one of the most widely experienced men in the accounting profession, and his suggestions are exceedingly helpful in handling the problems covered.

Accounting: Theory and Practice

The great difference between "Effective Business Letters" and other books on this subject is that this book not only gives examples of effective letters, but it shows just how to write them, from making a single sentence as strong as possible to co-ordinating the entire letter into one strong and effective statement. This book teaches how to write winning letters—letters that accomplish their purpose, whether it be to make a sale, refuse credit without offending the customer, collect a slow or bad account, or simply a routine letter which will bring good will to a company. There are clear and definite instructions, real help in "Effective Business Letters." It is difficult to frame a question on the business letter that this book does not answer. Concerns noted for their efficient methods are using from 6 to 60 copies in their correspondence departments.

Extended Bond Tables

By the late Charles E. Sprague, C.P.A., author of "The Accountancy of Investment," and "Philosophy of Accounts." Fourth edition. 1915. *233 pages. 4¾ x 8¼. Flexible leather.* $6.00.

Gives (a) the rate of income a bond will yield at a certain price, or, (b) the price at which a bond will yield a certain annual income. While there are, of course, many sets of bond tables published, the distinctive features of these tables are their scope and accuracy. The results are carried out to 8 places of decimals, giving values accurate to the nearest cent in $1,000,000. While the rate of the ordinary tables varies by eighths and tenths of 1%, these read direct by twentieths of 1%, and if difference tables are used, by hundredths of 1%. The tables can be used for bonds ranging as to interest from 1¼% to 10% annually and running for periods extending from one-half year to 100 years. By means of special tables, quarterly or annual bonds may readily be reduced to semi-annual income basis. The tables may also be used as annuity tables.

Part I, Corporations and Public Regulation: Part II, Capital Stocks: Part III, Funded Debt: Part IV, Capitalization. It is not just a general statement or discussion of the subject, but a decidedly authoritative, problem-solving guide for the corporation officer, the accountant, the banker, broker, and public official.

Business men in important positions all over the country have bought this book and cannot say too much for it.

Hiring the Worker

By Roy Willmarth Kelly, Director of the Bureau of Vocational Guidance and Instructor in Education, Harvard University. Special edition prepared for The Ronald Press Company by the Engineering Magazine Company. March, 1918. 244 *pages.* 6 *x* 8¾. *Cloth binding.* $3.00.

A book designed for the man who employs others, whether he is directly responsible for the proper selection or accomplishes it through an employment manager. Based upon the experiences of thirty firms it presents a compilation of tested systems and methods of procedure. It treats of the organization of the employment department; the analysis of the job; the problem of selection; methods of initiating workers into their tasks, their transfer, promotion and discharge. It gives the training necessary, and discusses the qualifications advisable for the employment manager. It presents specimen blanks, record forms and employees' instruction booklets. It contains a complete bibliography of employment and relative subjects with descriptions. It is a work from which will evolve efficiency and system in the conduct of the most important element of modern business—hiring the worker.

Indexing and Filing

By E. R. Hudders. Public Accountant; Member of the American Statistical Association. 4th printing, 1918. 304 *pages.* 5¾ *x* 8½. *Cloth binding.* $3.00.

A complete standard practice manual that has been badly needed. Nearly all published information on filing so far available either gives details for one special class of files, or simple broad information about the general system of files used. This book gathers the definite, specific information into one systematic volume for use in business offices. It explains the five basic systems of filing and where each can best be used, and explains in full each detail of filing work—the indexing, filing of cards, filing of papers, finding lost papers, transferring, grouping of records, filing of information and data, catalogues, purchase, sales and credit records, invoices, checks, vouchers, electrotypes and cuts, etc. There is a chapter that will be very helpful in the selection of filing equipment as needed, and illustrative chapters giving the full working details of files for three typical offices—lawyers, architects and accountants.

Influencing Men in Business

By Walter Dill Scott, Ph.D., Director, Bureau of Salesmanship Research, Carnegie Institute of Technology, Director Psychological Laboratory, Northwestern University. 3rd printing, 1917. 168 *pages.* 5 *x* 7¾. *Cloth binding only.* $1.50.

"Influencing Men in Business" shows how to develop the ability to influence men by mastering a few simple laws for influencing their minds. Long ago, business men turned to chemistry and physics for help in handling things. Now the most progressive leaders are turning to psychology for help in handling men. The author of this book is one of the leading practical psychologists of the country. For years he has studied, experimented and tested to find the practical applications of psychology to business. In the present book he explains the mental processes by which men think and are led to act. His statement of this is strictly scientific—authoritative as a manual of chemistry, yet so clear and practical that the business man can put its ideas to use the very day he reads it.

Office Management

By Lee Galloway, Ph. D. Professor of Commerce and Industry, New York University. October, 1918. 701 *Pages. Flexible Full Leather.* $6.00

The business manager, office manager, chief clerk, and every department head will find this work of unusual value in the planning and control of office systems. The author and his co-workers have visited many of the best organized offices in this country. This book which is the result of their investigations, presents the best modern methods for handling the routine functions of practically every business department.

For the organizer, the author presents fundamental rules for the analysis of conditions; the standardization of processes, and the control of personnel and production.

Wages and bonus systems are covered at length, comprehensive and practical chapters are devoted to the hiring and developing of office help. In this connection the author presents a full outline of courses being used in typical business houses.

THE RONALD PRESS COMPANY, NEW YORK

Principles of Foreign Trade

By Norbert Savey, Member of the New York Bar. Formerly International Salesman, Counsel for Russian Consulate General, and Special Lecturer on Foreign Trade at Notre Dame University. 1919. 500 *pages*, 6 x 8¾. *Cloth*. $4.00.

This new manual, covers every principle of foreign trade, and blocks out completely all the steps that must be taken in formulating foreign sales campaigns. It gives all the necessary information, lists, and tables, and is designed to serve both as reference and text book on all the factors entering into international commerce. Savey's book embraces commercial laws and policies, principles of distribution, foreign trade machinery of the U. S. Government, training of representatives and salesmen, technicalities of packing, shipping arrangements, customs procedure, marine insurance, collection methods, tariff laws, regulations governing foreign trade salesmen, and many hundreds of other points of equal importance. In short, it will give you a well-rounded knowledge of foreign trade—its procedure, principles, technique and possibilities.

Principles of Salesmanship

By Harold Whitehead, Assistant Professor of Business Method, Boston University, Author of "The Rexall Course of Salesmanship." 1917. *Trade Edition, September* 1, 1918, *containing additional material. Over* 400 *pages*. 6 x 8¾. *Cloth*, $3.00.

A new book giving practical selling instruction in a series of lessons, each of which deals with a distinct phase of the subject. It takes up each detail of making the sale, illustrating it with interesting dialogues, and tests the reader's knowledge with specific questions whose answers develop clear, accurate thinking. It teaches how to prepare and deliver the selling talk—how to approach and handle the prospect—how to get and keep the buyer's good will—how to cultivate the characteristics a salesman must have. The practical application of the principles of salesmanship is further set forth in several sales talks or imaginative interviews, which are carefully analyzed so that the student can see how theory is put into practice. A strong feature of the book is the three concluding chapters in Part VI which are devoted to practical and detailed advice on how to get a job as a salesman. The experienced, successful salesman will read this book with interest and profit; the younger, ambitious salesman will find suggestions that he can profitably use; and the novice who puts into practice the clear, definite advice given in this book will save himself a whole lot of disappointments and set-backs in his chosen calling.

OF

SCOTT & SELTZER

NEW YORK
FIVE WEST FIFTIETH STREET
1919

A NEW GENERAL PUBLISHING HOUSE

Reprinted from "The Publishers' Weekly" July 19, 1919

A new publishing enterprise of more than the usual interest has just been incorporated with Mr. Temple Scott and Mr. Thomas Seltzer as the working partners, to do business as Scott & Seltzer, Inc., with offices at 5 West 50th Street, New York.

Mr. Temple Scott is well-known as a literary critic and was for many years the manager of the publishing department of Brentano's, later opening a literary bureau for authors. A valuable asset to the firm will be his more than a quarter of a century's experience in the publishing business, both in America and England. He was the author of the two articles on "Publishing" that appeared in the Publishers' Weekly and attracted much attention at the time. Mr. Scott is himself a writer of ability, and his edition of "The Prose Works of Jonathan Swift," published by the Macmillan Co., is acknowledged by scholars to be the best.

Mr. Thomas Seltzer was until recently associated with the firm of Boni & Liveright, as managing editor, vice-president and treasurer, His judgment on literary work as a marketable commodity is acknowledged to be of unusual value. He is widely known in the world of letters as the translator of many important successes from the field of European fiction, and is an authority on the literature of Europe, having made a special study of the writings of the modern authors of France, Germany, Russia and Italy. His literary and publishing experience has kept him in close touch with the younger writers both here and abroad who are devoting themselves to interpreting the trend of these changing times.

Mr. Scott and Mr. Seltzer, both keenly alive to the social and economic questions of the day, desire to give hearing and sympathetic publicity to the younger men and women who are seeing new visions and who know how to reveal them in high literary form, whether in fiction or other works. While they are thus ambitious for the best, they do not intend to neglect the great body of literature which has always appealed to the popular taste. It is their hope to maintain worthily the fine traditions of the publishing business.

Their offices, attractively located on the ground floor just back from Fifth Ave., will be open to all who have the cause of literature at heart, and authors, critics, and literary editors may be assured that they will receive a fraternal consideration. A publicity and sales force is being organized which, it is hoped, will demonstrate new methods for bringing authors into closer touch with their readers.

"A book of such remarkable qualities that none should fail to read it."
—London Sphere.

THE FORTUNE

A ROMANCE OF FRIENDSHIP

By DOUGLAS GOLDRING

12 mo. Cloth, $1.75 net.

SOME OPINIONS OF THIS WORK BY FAMOUS CRITICS

Romain Rolland, the Author of "Jean Cristophe," writes to the author:

"I have read the book with joy. Your work is all alive—people, dialogue and thoughts. You have a great talent and a free spirit, with which I sympathize feelingly. I hope we shall know each other some day. I extend to you my hand with all my heart."

Gerald Gould in "The New Statesman"

"THE FORTUNE has notable qualities, both of moral idealism and technical skill. The writing is everywhere sincere and in places powerful. The characterization is vivid and many of the incidents moving. The deep feeling in the whole book distinguishes it from the mass of novels. I have found and appreciated elements of charm and skill in Mr. Goldring's earlier works, but none of them contained the remotest promise of anything so strong as THE FORTUNE."

"Æ" (George W. Russell) in "The Irish Homestead"

"Mr. Goldring is a novelist of great talent. He is sincere, observant. His principal characters have a life of their own. . . . Mr. Goldring is good enough to be judged by high standards. . . . We have read his tale with great interest. We are sure that others will also."

Ralph Strauss in "The Bystander"

"THE FORTUNE is not a book to be missed; it is real and true, and Mr. Goldring is to be congratulated."

The London "Times"

"His [the hero's] mental and emotional ordeals are truly 'spiritual adventures', and they make this book, with its breathlessness and the pathos and irony of its end one of the best novels that we can remember."

SARAH AND HER DAUGHTER

By BERTHA PEARL

12 mo. Cloth, $1.75 net.

A tale of New York's Ghetto. It is a vast canvas of faithful character drawing, finished in the minutest details, and shows the Ghetto family as it lives from day to day. This thing has never been done before, for it is the first sustained work of fiction in which the world of the Ghetto is set forth as a whole. The story has the Potash and Perlmutter laugh, and the tears of the sufferers of all ages. The author has a masterful virile grip on the life she depicts and a manner of telling that will delight the Westerner who has never come in contact with the Jew as it will appeal to the Jew. SARAH AND HER DAUGHTER is a work of genuine humor combined with a sensitive understanding that lifts it to the high level of literature.

THE BURNING SECRET

By STEPHEN BRANCH

Author of "Life of Verhaeren," etc.

12 mo. Cloth, $1.25 net.

A boy at the first glimmerings of manhood, a mother handsome and dissatisfied, a nobleman in pursuit of adventure—these are the only characters in this tale, each the centre of a passionate drama interwoven into one marvellously subtle yet thrilling story. The whole of literature contains no such exquisite, sympathetic delineation of a child in whom childhood is struggling with dawning knowledge; and never before has the theme been attempted—a child innocently and nobly figuring in an adult drama in which he is unconsciously the hero.

A LANDSCAPE PAINTER

By HENRY JAMES

12 mo. Cloth, $1.75 net.

The four tales comprising this volume were written by James before his twenty-fifth year. Their titles are: "A Landscape Painter," "Poor Richard," "A Day of Days" and "A Most Extraordinary Case." They have never been printed in book form in this country. James thought very highly of them and issued them in a collection of "Short Stories Revived" in England, many years ago. The story of "Poor Richard" was the one which so struck William Dean Howells when he first read it for the Atlantic Monthly, that he advised the editor to accept "all the stories you can get from that writer."

SCOTT & SELTZER

THE BRIDGE OF TIME

By WILLIAM HENRY WARNER

With Colored Frontispiece by WILLIAM B. DODGE

12 mo. Cloth, $1.75 net.

A powerful romantic story of ancient and modern times. The hero is a prince of the house of Rameses who, by a magic potion of the High Priest, is transmigrated from the Egypt of the Pharaohs into the Europe of the twentieth century. Through his eyes we see ourselves and our civilization in ways that are strangely interesting. But this is not the real theme of the story. The real theme is the eternal tale of love between a man and a woman, which brings home to us appealingly the unifying power of love across the ages.

Strange as this blending of the ancient and modern may sound, the author's highly gifted imagination and art have produced a work of fiction unique in its conception and permanent in its charm. The conclusion is masterly in its ingenuity and satisfying effect.

MOTHERS OF MEN

By WILLIAM HENRY WARNER
AND DEWITT KAPLAN

12 mo. Cloth, $1.60 net.

New York World: "A story abounding in melodramatic color and incident."
Cleveland Plain Dealer: "A dramatic romance of considerable power."
Philadelphia North American: "Highly exciting from start to finish."
Boston Evening Record: "A book of high import . . . A book to be read."

THE SILVER AGE

AND OTHER DRAMATIC MEMORIES

By TEMPLE SCOTT

Author of "The Pleasure of Reading," "The Use of Leisure," Etc.
Editor of "The Prose Works of Jonathan Swift," Etc.

12 mo. Boards, cloth back. Silver top. Price $1.75 net.

Some people would call this a book of short stories, others would say it is a volume of essays, but it is really a series of essays in the form of short stories. Dramatic essay is, perhaps, the best term. The book is an attempt to recapture some of the fine raptures of life, and to give them a fitting literary expression.

THE FIGHT FOR FREEDOM

A PLAY IN FOUR ACTS

By DOUGLAS GOLDRING

Author of "The Fortune."

12 mo. Boards, $1.25 net.

Mr. Goldring's powerful play is to be produced on the London stage in England in October of this year. It has already been translated into French, Russian, Hungarian and German, and is published simultaneously in England, America, Switzerland and other countries.

THE PASSING OF THE OLD ORDER IN EUROPE

By GREGORY ZILBOORG

Secretary to the Ministry of Labor under the Kerensky Government.

This work is the first attempt at a general survey of the forces which have brought about the downfall of the old order in Europe. It is a masterly analysis of the factors which have contributed to the decay of European institutions and a comprehensive presentation of the new order which is in process of formation.

The author demonstrates that the Russian Revolution was the logical consequence of what he ironically calls a policy of Bolshevism, which the ruling classes of Europe have pursued during the past seventy years. It was a policy for the suppression of the individual in the interests of the classes in authority.

The old science and the old thought are now bankrupt; but a new science and a new thought are emerging, and Mr. Zilboorg constructs their foundations and outlines their main tendencies.

All who desire to appreciate the significance and understand the vital importance of the great events now happening will find his notable book both illuminating and suggestive.

Mr. Zilboorg is gifted with rare powers of mind, and he writes from personal experience as well as sound scholarship in a style that is at once appealing and convincing.

LENIN

THE MAN AND HIS WORK

By ALBERT RHYS WILLIAMS
AND
ARTHUR RANSOME

12mo. Cloth, $1.00 net

The eyes of the whole world are upon Lenin. Hitherto he has remained a mysterious figure around which have gathered numerous myths and legends, some of these making him a devil, others a saint. Here, in this book, is the first story of the real man, written by the two greatest authorities on the Russia of to-day, Williams, an American, and Ransome, an Englishman. Mr. Williams's work on Bolshevism has sold over one million copies. Whether Bolshevism be considered an evil or a good, it is a matter which is before the world and is compelling the serious attention of all the nations Lenin is acknowledged to be the greatest exponent of Bolshevism, and this dramatic presentation of him by men who knew him intimately and who have talked with him frequently since his accession to power, will clear our minds on these subjects as nothing else can.

THE ORIGIN OF CHRISTIANITY

CHRISTIANITY AS A LABOR MOVEMENT

By KARL KAUTSKY

Late Under-Secretary of State in the Foreign Office of the Ebert-Scheidemann Government

8 vo., Cloth, $3.50 net.

Karl Kautsky is recognized as the greatest living historian of social and historical movements. His book on the Origin of Christianity made an immediate and profound impression when first published. It treats Christianity as, primarily, a labor movement, and its founder as a leader of the oppressed in revolt against the ruling classes. He develops his subject by the economic

method of historic interpretation, and compels conclusions that are deeply impressive and deserving our most earnest consideration. The remarkable feature of this exposition is that it presents a condition of social and economic changes at that time in every way comparable to those which are taking place today. In this respect the work is fruitfully suggestive, vital and timely.

Kautsky's treatment is constructive. He rebuilds on the ground he clears, and the new structure is not only picturesque but human, natural and simple. Many of the events which in the old histories seemed quite unrelated and accidental have their interdependence revealed. The picture Kautsky paints, therefore, of the social and political life of those times is harmonious and life-like, and the narrative is so interesting that it reads like a story.

INTERNATIONAL CRITICAL COMMENTARY on the Holy Scriptures of the Old and New Testaments. Under the present editorship of The Rev. FRANCIS BROWN, D. D., L. Litt., L. L. D., and the Rev. ALFRED PLUMMER, M. A., D. D., planned and for years edited by the late Prof. C. A. BRIGGS, D.D. in America, and Prof. S. R. DRIVER, D.D., and Rev. ALFRED PLUMMER, D.D. in Great Britain.

This Commentary is international and inter-confessional, and is free from polemical and ecclesiastical bias. It is based upon a thorough critical study of the original texts of the Bible, and upon critical methods of interpretation. It is designed chiefly for students and clergymen, and will be written in a compact style. Historical and Archaeological questions, as well as questions of Biblical Theology, are included in the plan of the Commentary, but not Practical or Homiletical Exegesis. The volumes constitute a uniform series.

LUTHERAN COMMENTARY, THE.

By Scholars of the Lutheran Church in the United States, under the editorial charge of HENRY EYSTER JACOBS, D.D., LL.D. Is being published after extensive correspondence and consultation between the general editor and Lutheran scholars throughout the country. It comprises twelve volumes of about 400 pages each, and incorporates the text of the revised version. The work fills an intermediate position between scientific and popular exposition. It does not enter into the discussion of critical questions, but seeks to present results. It is adapted to the wants of pastors, and is especially valuable to intelligent laymen and Sunday-school teachers. 12mo, Each, 2.00

BARTLETT, ROBERT A., and RALPH T. HALE

✠†* The Last Voyage of the Karluk

(See page 91) *8vo. Cloth. Illustrated from charts and photographs. Net, $2.00 (by mail, $2.20)*

THE *Karluk* was the flagship of Vilhjalmar Stefansson's Canadian Arctic Expedition of 1913-18 and was under the command of Captain Robert A. Bartlett, already famous as the master of Peary's ship, the *Roosevelt*, and as having reached a higher latitude (88° N.) than any other white man who ever lived, excepting only Peary himself.

In "The Last Voyage of the *Karluk*" is told the story of the ship's wonderful drift, of her sinking, of the life of her company in "Shipwreck Camp" many hundreds of miles out on the ice of the Arctic Ocean north of Bering Strait, of their journey to Wrangell Island, of Captain Bartlett's crossing to Siberia and his seven-hundred-mile walk with his young Eskimo companion to bring help to his marooned comrades — a story which Theodore Roosevelt said "demands the serious consideration of all who are interested in adventure and scientific work in the Far North. It is a very striking and interesting series of adventures."

"The last voyage of the *Karluk*" was listed by the New York State Library as one of the hundred best books of the year.

"One of the finest stories of life in the Arctic regions ever published. It is a swift, modestly told tale of heroic adventures, as attractive for youngsters as for the grown-ups to whom it is addressed." — *The Independent.*

A STUDY of Japan and her colonial possessions, of China and Manchuria, and of the political questions of Eastern Asia and the Pacific.

"More attention is given to Japan than to any other country because Japan is the only country in the Far East which is rated one of the world's powers, and because the Japanese are the dominating people in the Orient, directly concerned in every important political, economical and social movement in their part of the world. . . . Next to Japan in the allotment of the author's space comes China. THIS is the record of two journeys, one a pilgrimage to Mecca in 1908-9 when the author disguised himself as a faithful Mohammedan from Zanzibar, the second in 1911, when Mr. Wavell undertook what proved to be a still more difficult and dangerous feat — that of penetrating to the utterly unknown southwest corner of Arabia, called the Yemen.

"A successful pilgrimage to, and a safe return from, Mecca, combine to mark out the English visitor not only as a Hadji, but also as one worthy of being remembered together with certain other names not so numerous as to exhaust the fingers of one hand." — *London Times.*

WHITMAN, WALT

Diary in Canada

Edited with an Introductory Note by WILLIAM SLOANE KENNEDY. 8vo. Boards. Japan vellum back. Net, $2.50 (by mail, $2.70)

THE diary was written in a chunky, homemade note-book, which Whitman carried in his pocket during his memorable trip over Lake Erie and Lake Ontario, down the St. Lawrence and up the Saguenay, in the summer of 1886, referred to in only a couple of pages in "Specimen Days." It has the autobiographic charm of all of Whitman's lighter work, shows him as a tourist and by supplying a missing chapter in his experience, rounds out the story of his life.

BAKER, C. H. COLLINS

Lely and the Stuart Portrait Painters: A Study of English Portraiture before and after Van Dyck

Two volumes. Large Crown 4to. With 240 illustrations, of which eight are in color and the others in collotype. Of the edition of 375 numbered copies (350 only for sale), printed on special rag paper, for the Medici Society, of London, 50 are reserved for the United States. Half-levant. Per set, net, $60.00.

THOUGH many notable painters worked in England during the two centuries which separate Holbein from Hogarth, with the exception of Van Dyck, history had passed them by until the publication of this book.

Starting with the first years of the seventeenth century, this work traces the course of painting in England through the whole of the Stuart period and ends only with the reign of George II. With the single exception of Van Dyck every notable portrait painter of this long epoch is carefully studied, beginning with Marc Gheraedts and Paul von Somer and ending with Sir Godfrey Kneller and Michael Dahl, a period, roughly, from 1603 to 1723.

CESARE, O. E.

✠One Hundred Cartoons by Cesare

4to. Boards. Net, $3.00 (by mail, $3.15)

EDITION DE LUXE, limited to 105 copies, printed on Japan Vellum, numbered, and signed by the artist. Net, $7.50 (by mail, $7.75)

BRILLIANT and powerful interpretations of our times by the artist of the *New York Evening Post.*

The majority of the drawings in the present volume were suggested by the Great War. The preservation in permanent form of such cartoons, for instance, as that on the sinking of the *Lusitania* — the most famous American pictorial expression of that great tragedy — or that on the death of Lord Kitchener or those on Mr. Wilson's first Secretary of State will be appreciated by students of events.

"Every American interested in the art of the cartoon cannot but find this collection of more than temporary interest. Aside from a splendid techinque, Cesare is possessed of a poetic fervor, imagination and a keen feeling for beauty. Many of these are drawings of a very noble order, qualified by a sentiment that is not mawkish. Because of his power as much as his fine restraint, Cesare may be said to be an aristocrat among American cartoonists." — *Dial.*

Jan Vermeer of Delft

4to. With reproductions in color, in photogravure and in half tone of all of Vermeer's known works, together with examples of the work of some of his contemporaries. Boxed. Library buckram. Net, $10.00.
Half-levant. Net, $20.00.

THIS is the first book in the English language treating of Jan Vermeer of Delft and his exquisite art. Mr. Hale, who is a son of the late Edward Everett Hale, is himself an artist with a high place among American painters, and he brings to his task a lifetime's devotion to the study of Vermeer and his work.

"A solid and satisfying work, solid, because of its discriminative and exhaustive inquiry regarding the technical aspects of the great Dutch painter's art; satisfactory, because of its literary excellence and sympathetic interpretations. It is a book to be placed on the same shelf, with Sir Joshua Reynolds's 'Discourses,' Fromentin's 'Holland Painters,' and the 'Velasquez' of R. A. M. Stevenson. The definitive study." — JAMES HUNEKER, in the *New York Sun*.

Three-quarter levant. Net, $7.50 (by mail, $7.80)

"A faithful reproduction by Paul Gsell of conversations with Rodin, showing his direct, practical attitude towards life and the meaning of art, and repeating his interesting observations and ideas on such special phases as realism, nature, movement, thought and mystery in art. A notable and unique work. Of the 106 beautiful illustrations in halftone and photogravure, sixty-seven reproduce Rodin's work." — *A. L. A. Booklist.*

RODIN, AUGUSTE — Continued

"In this book, which I am pretending to review, M. Gsell appears as Rodin's Boswell and reports very intelligently a number of remarkable practical observations made by Rodin. They are practical even when they deal with the most mystical recesses of art. For Rodin, like all great workmen who can express themselves in words, is very straight and simple, and disposed to be useful to those who listen to them, and not to waste their time. He knows what is important and what is not and what can be taught and what cannot." — GEORGE BERNARD SHAW in the *New York Times*.

RUTTER, FRANK

The Wallace Collection

Small 12mo. Cloth. Net, 75 cents (by mail, 85 cents)

A HANDBOOK which aims at presenting in a popular form the results of the most recent researches into the history of some of the principal art treasures in the Wallace Collection, researches which have made possible the identification of many purchases and the correction of certain attributions.

"His book," says the *Bookman* (London), "is likely to become the most popular of all guides to the glorious palace of art in the West of London. It is an introduction to the great arts of beauty, written out of an experience of a lifetime. It gives its readers new points of view in the appreciation of the masters of art. It is, in short, an education in art, as well as a guide-book, possessing a literary value of its own, independent of the wealth of information it imparts."

"Dr. Thiis's great work has many claims on the student and amateur. . . . It is inexhaustibly suggestive and instructive." — *New York Evening Post.*

"It is not too much to speak of it as a definitive book upon its subject for it is difficult to see in what way it could be improved upon." — *Town and Country.*

"There are so many delightful bits of bubbling humor that they must be read to be truly appreciated, and it must not be forgotten that all these facts so cleverly told are authentic." — *New York Tribune.*

"They are the letters of a woman who has lived in the hell of war, and has emerged with her faith in the good of men still firm. She has learned how to hate, but she has also learned how to love; the great lesson of the war-service has been lived and enacted before her very eyes." — *Philadelphia Press.*

THE Camp Upton Unit has been aptly termed "The Metropolitan Division" as every man in the division was formerly a resident of greater New York. Camp Upton, the home of the metropolitan draft men, made Yaphank, Long Island, to the mind of the New Yorker, far more important than the provincial cities of Philadelphia and Boston.

America's Jack and the Beanstalk:

A History of the Great Lakes Naval Training Station

Illustrated. 8vo. Cloth. Net, $2.00 (by mail, $2.20)

THIS is the story of America's Jack and the Beanstalk — of America's Middle West bluejackets and the little naval training station which suddenly grew to be the largest in the world. Just why the naval training station at Great Lakes grew to be the largest in the world — just why this astounding development of something naval should take place a thousand miles from salt water, is a matter of permanent interest to the seaboard sections of the country as well as to those that sent their sons and brothers to this great camp. The Great West was not surprised at this astonishing activity, as it gave its youth, its boys, just out of high school, on the threshold of manhood, to the Navy, and the story of the activities of these boys in schools, work, athletics — the list is manifold — will serve as a permanent memorial of what they did in the days of the Great War.

A FIRST hand narrative of Russia in the last days of the Autocracy through the Revolution to the Bolshevik regime comparable to the best of the famous memoirs of the French Revolution. Allies, then in the turmoil of revolution and counter-revolution, we have never had until the present volume an authoritative work from one who was a part of the events themselves. In addition to the interest which such an authoritative account would naturally arouse, the volume is of especial appeal to the American people, as the Princess Cantacuzène, Countess Spéransky, was Miss Julia Dent Grant, the granddaughter of President U. S. Grant, and the daughter of Major-General Fred D. Grant.

THE writer of these letters is the wife of Brigadier-General Marlborough Churchill, chief army censor, who, the year before the entrance of the United States into the war, was an American military observer in France, and later became a member of General Pershing's staff. Mrs. Churchill volunteered her services in Paris in connection with the American Fund for the French Wounded and these are her letters home, written with no thought of publication, but simply to tell her family of the work in which she was engaged.

CUVRU-MAGOT, HENRIETTE

✠ Beyond the Marne

12mo. Cloth. Illustrated. Net, $1.00 (by mail, $1.15)

NOT the least interesting thing about this little book is the fact that its author is a friend and neighbor of Miss Mildred Aldrich, author of "A Hilltop on the Marne," "On the Edge of the War Zone," etc., and the book contains frequent references to Miss Aldrich "in her habit as she lives." Mademoiselle Henriette is the "little friend" who, as Miss Aldrich tells us in "On the Edge of the War Zone," came to her, the day after the Germans were driven away on the other side of the Marne, to suggest that Miss Aldrich go with her to visit the battlefield. It is a simple, personal narrative of the events of August and September 1914.

✠ The German Secret Service in America

12mo. Cloth. Illustrated. Net, $2.00 (by mail, $2.20)

"NO newspaper man is better qualified than Mr. John Price Jones to tell the story of the German Secret Service system in America. From the very beginning, as a reporter for the *New York Sun*, he covered the activities of the secret service and other Government agencies in exposing German plots and catching German plotters.

"I came into contact with him daily and found his work thorough, painstaking and highly intelligent, so it is no surprise to me to find in 'The German Secret Service in America' a clear presentation of the facts.

"All those who have been directly concerned with the activities of German agents in America will recognize at once that this book does not suffer from a complaint which is too common in writing detective material, in that it is not overdrawn. Once in a blue moon there comes along a writer whose ability to tell his story, coupled with his respect for the truth, compels our admiration of his work. Such a man is Mr. Jones, and if you want to know what we have been up against in our pursuit of the underground Hun, read his book. The widest possible audience for it will insure us against the further evils of the system he describes."

have a preface from the pen of Maurice Barres, Academician, while in its revelations of French heroism it is splendidly in tune with Clemenceau's eloquent 'Tribute to the Soldiers of France.'

"It is a moving, living picture, a panorama of life, service, fighting, with a machine gun company on the battle front. It is instinct everywhere with intense vitality, with humor, with pathos and with a dramatic sense such as we have seldom seen surpassed. There is romance, too, or it would not have been written by a Frenchman. But in all the varied scenes there is not a single false note, not one uncertain touch. We have had books of this type from American and from British writers. Place by the side of the very best of them this from a Frenchman's pen and be grateful for la belle alliance." — *New York Tribune.*

MACK, ARTHUR

✠ Shellproof Mack

An American's Fighting Story

12mo. Cloth. Illustrated. Net, $1.35 (by mail, $1.50)

"By this time it takes an unusual war book to arouse our attention — one in which, in addition to unimpeachable accuracy of technical description, there is a decided personal element, a characteristic touch, a new slant of vision at the life and problems of fighting. It is because Arthur Mack, author of SHELLPROOF MACK, has these things to an amusing degree that we have read his book with a decided amount of relish. It is because he so deftly voices just what the average New Yorker will probably think and undergo at the front, and says it with underlying sanity and a sense of proportion that we like his book. In his preface, Private Mack is careful to explain that his volume 'lacks everything that would be put into such story by a professional writer — the brilliancy of expression and the vividness of narrative.' As a matter of fact, it is because he has both of these qualities, that we enjoyed reading SHELLPROOF MACK." — *Town and Country.*

The True Story of the Bolsheviki and the Forces that Directed Them

Illustrated. 12mo. Cloth. Net, $2.00 (by mail, $2.20)

FOR the first time we are given a connected story of the machinations of the German Secret Service in Russia which resulted in the debacle that took her out of the war, handed her over to the Bolsheviki, Revolutionaries, adventurers and necessitated the gigantic effort of the United States to contribute to the defeat of Germany. The author of this book, Princess Catherine Radziwill, a "Russian of the Russians," through her life in the great capitals and her acquaintance among rulers and their agents, had rare opportunities to become familiar with every detail in the working of the plots which led to the success of the Bolshevik conspirators.

The book is a fascinating and true record of the greatest game of underground plotting which was ever attempted. The amount of money expended, the ramifications of the conspiracy, the depravity of the bribed and bribers are beyond belief. And our author writes with a zest and unction which makes a tense account of world forces.

STANLEY, CORPORAL "TED"

The Perils of a Private

12mo. Boards. Net, 50 cents (by mail, 65 cents)

UP-TO-THE-MINUTE, humorous interpretations, in pen and ink, of the life of a private who is learning to be a soldier at one of the government training camps.

Like the soldier of Civil War days who answered General Ben Butler's question, "Who can repair this broken-down locomotive?" with "I can. I made it!" — "Ted" Stanley answers that he can mighty well depict the perils of a private because "I've been all through it!" A very able cartoonist, "Ted" Stanley was a corporal in a Motor Truck Company, and he drew each and every one of the cartoons included in this remarkable collection in the barracks at Camp Devens after his day's work of "intensive training" was over.

TUNNEY, THOMAS J. and PAUL MERRICK HOLLISTER

Throttled

Illustrated. 12mo. Cloth. Net, $1.50 (by mail, $1.65)

THE mere announcement of a book on the work of the Bomb Squad would intrigue us, but when we are aware that, in addition, we shall have the complete and authoritative story of episodes which stirred the nation, we feel assured of a narrative of surpassing and vivid interest. Inspector Tunney has been one of the three or four principal figures in the detection and rounding up of the many German plotters who outraged our peace and neutrality from August, 1914, and continued their efforts against life and property after April, 1917. Among the crimes in which Inspector Tunney and his Bomb Squad were the investigators, and in which they successfully brought to justice the German agents, were the anarchist plot to blow up St. Patrick's Cathedral, the Hindoo plots, the blowing up of the Senate wing, the Robert Fay ship bomb plots, and the assault on J. P. Morgan. All these true detective stories and many others are told here by a man who has had nearly thirty years' experience as a detective, and who knows crime and criminals. It is an exciting book, full of details of how a great detective found clues, followed them down and landed his quarry. An invaluable inside view of a phase of German intrigue in America during the war.

WARREN, MAUDE RADFORD

✠† The White Flame of France

12mo. Illustrated. Net, $1.50 (by mail, $1.65)

THE front line trenches at Rheims during a bombardment when the shells were whistling over, two Zeppelin raids in London, the heroic services of devoted actors and actresses when they played for the soldiers of Verdun, the irony of the mad slaughter, the indestructability of human courage and ideals, the spirit and soul of suffering France, the real meaning of the war — all these things are interpreted in this remarkable book by a novelist with a brilliant record in the art of writing, who spent more than half a year "over there."

"A flame of courage to live, work and hope. The spiritual reconstruction of a generation. Maude Radford Warren beheld this, and describes it vividly in a book vibrant with vigorous individuality. On the grand route to Verdun, in Nancy the invincible, in Switzerland the 'good little pawn', in Paris, and many places, some not far removed from the trench, she came in close contact with soldiers and civilians, the young and the old; with all classes. Let us gratefully note a professional writer whose impressions of war are not subordinated to impressions of herself." — *Boston Herald.*

ARCHER, WILLIAM

✠ Play-Making: A Manual of Craftsmanship

8vo. Cloth. Net, $2.00 (by mail, $2.20)

"A BOOK of practical suggestion for the student of playwriting," says the *A. L. A. Booklist*, "the work of perhaps the ablest English dramatic critic. The principles underlying play construction are fully discussed and illustrated for the most part from plays now to be seen, from Shakespeare and Ibsen to Clyde Fitch and Brieux. Considered by several American students of the drama the best work dealing with the modern stage."

"I make bold to say," says Brander Matthews, Professor of Dramatic Literature in Columbia University, "that Mr. Archer's is the best book that has yet been written in our language, or in any other, on the art and science of play-making.

"He tells the ardent aspirant how to choose his themes; how to master the difficult art of exposition — that is, how to make his first act clear; how to arouse curiosity for what is to follow; how to hang up the interrogation mark of expectancy; how to combine, as he goes on, tension and suspension; how to preserve probability and to achieve logic of construction; how to attain climax and to avoid anti-climax; and how to bring his play to a close.

"Mr. Archer's book is an invaluable and an inspiring manual."

JOHN McCORMACK

The little lad from Athlone, Ireland, who has become the world's greatest concert tenor.

McCORMACK, JOHN

John McCormack: His Own Life Story

Transcribed by Pierre V. R. Key

With many full-page plates. 12mo. Decorative cloth.

Net, $2.50 (by mail, $2.70)

THE world's greatest concert tenor, John McCormack, needs no introduction in America. To-day mere announcement of his metropolitan concerts fills halls to overflowing; while the smaller towns and villages, which the great tenor cannot reach in his tours, call for his phonograph records by the hundreds of thousands.

The tenor's life has been full of interest from the day when as a little lad in his home town of Athlone, Ireland, he delighted the neighbors who used to call upon him to sing the old songs, to the time when he came to America, established himself here as an American, and wrought into melody not only the old folk songs of Ireland but also the classic creations of the great masters of music. The facts of his boyhood in Ireland, how he was "discovered," and his career to the position he now holds, is a real romance made luminous by a rich fund of anecdote and reminiscence.

MASSENET, JULES

My Recollections

Authorized Translation Done at the Master's Express Desire, by his friend H. Villiers Barnett

8vo. Cloth. Profusely illustrated. Net, $2.50 (by mail, $2.70)

IN an autobiography distinguished for charm of narrative and anecdote, Massenet, a leader of modern French music, perhaps best known in America as the composer of the operas *Thais*, *Manon*, and *Marie Magdeleine*, tells the story of his career, and especially of his many works. Such a story, obviously, will appeal to all students of music and to all who are interested in the famous operas given on our American stage. But the book should command attention, in addition, as a work of literary merit, for in this volume Massenet proves himself a real raconteur in the charmingly delightful, oftentimes naive, style which distinguishes the familiar biographical writing of the French.

A delightful volume for the general reader, the opera-goer, and the student of music alike.

CAMILLE SAINT-SAENS
Author of "Musical Memories"

SAINT-SAENS, CAMILLE

Musical Memories

Translated from the French by Edwin Gile Rich

8vo. Cloth. Profusely illustrated. Net, $2.50 (by mail, $2.70)

CAMILLE SAINT-SAENS, intellectually the keenest, perhaps, and most broad-minded of living French composers, has here written a bright, scintillating and charming book that is a record of impressions through a long life which has been full of interest. M. Saint-Saëns, outside of his profession itself — he is held by many to be the greatest living composer — reveals himself as a man of catholic tastes and wide personal acquaintance with affairs. He has always taken a keen interest in art and gives one of the most intelligent and intelligible discussions of "Art for Art's Sake" that has ever been penned. His literary likings also receive charming treatment, especially his acquaintance with Victor Hugo.

As a student of music of other masters, Saint-Saëns is probably without a rival, and it is with music that his book chiefly deals. The great value of the author's extraordinarily acute judgments of such composers as Berlioz, Rossini, Meyerbeer and Offenbach is obvious. MUSICAL MEMORIES is a book of value to every one interested in the history of music.

ATTERIDGE, A. HILLIARD

Famous Modern Battles

8vo. Cloth. With thirty battle plans by the author. Net, $2.00 (by mail, $2.20)

ONE of the most popular works of history is Sir Edward S. Creasy's "The Fifteen Decisive Battles of the World," which still stands unrivaled in its field. In one respect, however, for the twentieth-century reader, Creasy's book is lacking: it ends with the Battle of Waterloo. In the century that intervened between that famous victory and the outbreak of the European War, many momentous battles were fought of more interest to the present-day generation than many between the decisive battles of antiquity and the breaking out of the Great War.

Captain Atteridge's book admirably fills the great gap left by Creasy's famous work. The battles of which it treats are:

I. THE BATTLE OF THE ALMA, September 20, 1854; II. SOLFERINO, June 24, 1859; III. CHANCELLORSVILLE, May 1 and 2, 1863; IV. GETTYSBURG, July 1-3, 1863; V. SADOWA, July 3, 1866; VI. REZONVILLE AND GRAVELOTTE, August 16 and 18, 1870; VII. SEDAN, September 1, 1870; VIII. THE GREAT ASSAULT ON PLEVNA, September 11, 1877; IX. TEL-EL-KEBIR, September 13, 1882; X. ADOWA, March 1, 1896; XI. THE BATTLE BEFORE SANTIAGO (El Caney and San Juan), July 1, 1898; XII. OMDURMAN, September 2, 1898; XIII. PAARDEBERG, February 18, 1900; XIV. MUKDEN, February 20-March 9, 1905; XV. LULE BURGAS, October 29-31, 1912.

"A book that is worthy to be set beside Creasy." — *Cincinnati Enquirer*

FULLER, LOÏE

Fifteen Years of a Dancer's Life

With an Introduction by Anatole France.

8vo. Cloth. Profusely illustrated from photographs. Net, $2.50 (by mail $2.70)

A PICTURESQUE, anecdotal and entertaining narrative of the dramatic events in the life of the American girl who became one of the most famous dancers in the world. It shows the author in a charming light, not only as a serious artist but as the beloved and respected friend of the great artists and authors of France. For, in addition to being a great dancer, Miss Fuller possesses a fine personality and a keen mind.

As M. Anatole France says of her in the introduction which he has contributed to the volume:

"She is marvellously intelligent. But she has a still more marvellous soul. Rich in all natural gifts, she would have made a great scholar. I have heard her discourse most comprehensively of astronomy, chemistry and physiology. But that is of slight consequence. Above all she is an artist."

GRETTON, R. H.

A Modern History of the English People

Volume I, 1880-1898. Volume II, 1898-1910.

8vo. Per set, two volumes, net, $5.00 (by mail, $6.40)

MR. GRETTON has written a history peculiarly expressive of all that the word "modern" implies. The modern student of affairs no longer restricts his interests to the Court, politics, and society. He is interested as well in science, technology, commerce, music, the theatre, art. The modern newspaper and magazine reflect this variety of interests and provide for it; here for the first time a formal history also reflects it and provides for it.

"This is a brilliant book. There is not a dull page in it; the author lives over again these thirty years in a spirit of vivacity and with a freshness of touch and comment which carries the reader along; and there are pages which belong to literature." — *London Times.*

"It would be hard to find a more vivid picture of England than is given in these moderate-sized volumes." — *Living Age.*

LEGGE, EDWARD

More About King Edward

8vo. Cloth. Illustrated from photographs. Net, $4.00 (by mail, $4.30)

"'MY son may reign, but my grandson never will.'" With these words, said to have been uttered by the late King on his death-bed, Mr. Legge opens the first chapter of 'More About King Edward.' Considering the fact that Mr. Legge has already written a book about England's beloved sovereign, it seems marvellous that he should find so much material for a new volume, but this one will, in my opinion, have a wide appeal in our own country, where King Edward was highly esteemed for his good sense, his sportsmanlike qualities and his friendly attitude toward Americans." — JAMES L. FORD in the *New York Herald.*

"MILES" (pseudonym)

The Campaign of Gettysburg

8vo. Cloth. With 3 colored maps. Net, $2.00 (by mail, $2.20)

A BOOK carefully written from original sources by an English army officer who preserves his identity under the pseudonym of "Miles." Critical students of the Civil War declare that this is one of the best presentations of the Gettysburg campaign ever published, if not the best, and its importance for the general reader who is looking for an impartial, accurate, and distinctly readable book on the subject can hardly be estimated too highly.

They are of remarkable historical accuracy, the result of six years' careful research on the part of the painter, and Mr. Holman's descriptive and explanatory text is admirably informative.

"MR. WHITLOCK'S book," says Miss Ida M. Tarbell, "is far and away the best brief account of Lincoln that I have ever read. It is sufficiently comprehensive, and it is sympathetic and intelligent. He seems to me to have mastered his material very well and to have compressed an immense amount of the real feeling and flavor of Lincoln into comparatively few pages. I am constantly being asked for an interesting short life of Lincoln, and this is the first time that I have come across one that I take entire satisfaction in recommending."

William Windham (1750-1810), a member of Pitt's first cabinet and the ministry of "all the talents," including hitherto unpublished letters from George III, the Dukes of York and Gloucester, Pitt, Fox, Burke, Canning, Lords Minto, Castlereagh, Grenville, Nelson and Malone, Doctor Johnson, Cobbett, Doctor Burney, etc. With an introduction by the Rt. Hon. the EARL of ROSEBERRY, K. G., K. T.

"William Windham is one of the few English statesmen of the late eighteenth century whose life should appeal to American readers, for his first appearance as a public speaker was at a meeting called to raise a subscription toward the cost of the American War, a project which he stoutly opposed. His other claims on the notice of the general reader include the fact that he was at Eton with Fox, was the intimate friend and pupil of Burke, and had such close relations with Dr. Johnson that he was one of the few who watched by his bedside to the last." — *Boston Transcript.*

ALLEN, MRS. IDA C. BAILEY

Mrs. Allen's Cook Book

Large 12mo. Illustrated. Completely indexed.
Net, $2.00 (by mail $2.20)

PROFESSOR LEWIS B. ALLYN, the chemist of the Westfield Pure Food Movement, in his Introduction to the volume, says:

"Mrs. Allen has expressed in popular terms a simple, workable outline of food combination, well adapted to the needs of the housewife. If her book is carefully followed, the dietary of the average family will be much improved, cost decreased and a general gain in health experienced."

Mrs. Allen is the editor of the "Housewives' Forum" Department in *The Pictorial Review*, and by her writings there, as well as in *The Ladies' Home Journal*, *The Country Gentleman*, *The Delineator*, *Good Housekeeping*, etc., and by her extensive tours under the auspices of the Westfield Pure Food Movement and on the Chautauqua circuit, she has become the most noted home economics expert in the United States.

IDA C. BAILEY ALLEN

ALLEN, MRS. IDA C. BAILEY—Continued

"Mrs. Allen's Cook Book" emphasizes efficiency in cookery, and gives approved short-cut methods for making a great many dishes which most cook books represent as unnecessarily intricate. In this way *economy* is emphasized and the housewife is able to save time and money now wasted in experiments. As a preparation for the art of cookery, Mrs. Allen offers her reader simplified information on the every day *chemistry* of foods, a subject which, ordinarily appearing technical and difficult, is made fascinating by her treatment of it.

From MRS. ALLEN'S COOK BOOK

Besides many hundred tested receipes, the book contains chapters on how to plan seasonable meals, the feeding of children, casserole and fireless cooking, the equipment and arrangement of the kitchen, correct service for home and company meals, etc. Each chapter is prefaced by a little talk on the subject to be treated, bringing out the "short-cut" and economical way of preparation. In every case the suitability of certain foods for various meals is made clear. The recipes are given in the simplest possible way and the duration of cooking is noted as well as the oven temperature.

The author shows how to use foods to get the full value from them. As the saying is, "Any one can *save* money, but it takes a wise man — or woman — to spend money economically." The use of "Mrs. Allen's Cook Book" will insure getting your money's worth.

> "Such a volume will find a welcome, because the author strips from her subject all the camouflage with which scientists and pseudo-scientists have invested it . The mystery of the calory, that causes the average housewife to throw up her hands, is tersely solved. The tyro may learn how to prepare the simplest dish or the most elaborate. The woman who wants to know what to do and how to do it will find the book a master-key to the subject which it treats." — *Literary Digest.*

President Emeritus Charles W. Eliot of Harvard University, Honorary President of the American Federation for Sex Hygiene, says: "'At the Fountain-head' will be useful to parents and teachers who have decided to give information on sex hygiene to the children in their charge. It is entertainingly written and the pictures add a great deal to the value of the book. It will give to children a fuller knowledge of the wonderful little beasts, so many of which live near at hand, and it will give them a more sympathetic understanding and a higher sense of their duty toward all small creatures." — *Boston Herald.*

DALCROZE, EMILE JAQUES-

The Eurhythmics of Emile Jaques-Dalcroze

With an introductory chapter by Professor M. E. Sadler, C. B., LL.D. (Columbia), Vice Chancellor of the University of Leeds.
8vo. Cloth. Illustrated from photographs. Net, $1.00 (by mail, $1.15)

THE main features of Eurhythmics, the system devised by Monsieur Jaques-Dalcroze which has so captured the attention of educators, are two. Its primary object is to create by the help of rhythm a rapid and regular current of communication between brain and body; by developing the pupil's attention and will power and by eliminating all but the most essential muscular movements, so that an automatic technique, as it were, is created, the whole physical system is to be firmly, swiftly and almost unconsciously controlled by the brain in response to the dictates of musical rhythm. The second stage consists of interpreting musical rhythms and eventually complete compositions by a language of gesture and bodily movement, ordinary music being in this way given plastic expression.

"All who are interested in education should read this book. To teachers of music in particular, it will prove of real value. . . . It is a great advance upon most of the existing methods of musical teaching. . . . it might be introduced into our schools with benefit to the next generation." — *Westminister Gazette* (London).

"Many people besides those specially interested in teaching will find these principles suggestive and stimulating." — *New York Times.*

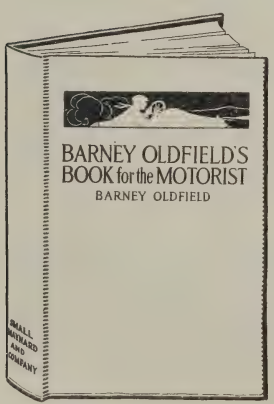
OLDFIELD, BARNEY

Barney Oldfield's Book for the Motorist

Illustrated from drawings and photographs. 12mo. Cloth.
Net, $1.50 (by mail, $1.65)



BARNEY OLDFIELD

"Bong Joor!" says Barney Oldfield. "I've been engaged to give my personal attention to your car. It has just been discovered that I've been absorbing a whole lot of valuable information about the care and up-keep of every car built in the past twenty years. During that time the public thought my sole interest was the establishment of a reputation for holding most of the world's worth-while speed records. I plead guilty. But it was my intimate knowledge of cars, the designing and construction and general ability to force the last ounce of power out of them, that enabled me to pull down so many 'firsts.' Just to help out a whole lot of good fellows who have been too busy with other things to devote twenty years of their life to acquiring this practical knowledge I've written a book for you. Do not merely glance my book through, or read it carelessly, but study it with a view to understanding it. Keep at this study until you have thoroughly absorbed the general advice and suggestions, even if you fail to grasp the more technical information it contains. No matter what class or price your car represents, I'll try to help you reduce the up-keep and increase its service.

"YOU KNOW ME"

BARNEY OLDFIELD.
